Terms and Conditions

1. The Data provided to the entity requesting the Data, hereinafter referred to as "the Receiving Party", will exclusively and solely use it for Research purposes alone. The Receiving Party shall not use, and shall require any person having access to the Data not to use, the Data for any purpose other than the Purpose of Use. Other than as necessary for the Purpose of Use, the Data shall not be transferred, sold, or otherwise used or made available to any person, and the Receiving Party must not offer to do so, without the prior written agreement of IIMAD.
2. The Receiving Party will ensure that the Data will only come into the possession and control of those engaged in the above-mentioned Research under the supervision of the Receiving Party and have accepted the same obligations and restrictions in respect of the Data. In case the Receiving Party would like to use the Data for other research purposes, a new Data Request Form should be submitted to IIMAD.
3. Other than explicitly provided herein, this Data Request Form will not be construed as conveying to the Receiving Party any rights or title to the Data. The Receiving Party will treat the Data as strictly confidential and proprietary to IIMAD and/or parties collaborating with IIMAD, and will disclose such Data only to persons IIMAD have a need to know for the Purpose of Use and are bound by the same obligations and restrictions as contained herein. The Receiving Party will ensure that the Data will be retained in appropriately secure means (and in any event no less secure than the means that party would use to protect its own valuable confidential information).

The above-mentioned obligations of confidentiality and restrictions on use will not apply if and to the extent the Receiving Party is clearly able to demonstrate that the Data: - were in the public domain at the time of their disclosure hereunder; or - become part of the public domain through no act or omission of the Receiving Party or other party to IIMAD the receiving Party disclosed such Confidential Information.

4. Nothing contained in this Agreement shall restrict IIMAD's right to transfer or otherwise make the Data available to any other person for commercial or non-commercial purposes.
5. On completion of the Research, the Receiving Party shall report the results obtained through the use of the Data in writing to IIMAD.
6. Completion of the Research using the Data or earlier termination of this Agreement will not relieve the Receiving Party of any obligations under this Data Request Form (which will continue to apply without any expiration period).
13. Nothing in this Agreement shall be interpreted as establishing a partnership between the parties, or as establishing one party as the agent of the other, or as conferring a right on one party to bind the other, except as may be specifically set out herein.
